- Go to www.pearlriverlibrary.org
- Click on the OverDrive Digital Download Center. This will take you to the Ramapo Catskill Library System's Digital Download page.

Enter the barcode number on the back of your library card and your four digit pin number (usually the last four digits of your telephone number). This will allow you to see additional titles that our library has purchased just for our patrons.
- Search using the search box or click on selected filters to help narrow your search.
- After a title is selected make sure item is compatible for Kindle in the "Available Formats" box in the right hand column.
